Dear Colleagues,

Greetings from the Organizing Committee,

We at Gadag Institute of Medical Sciences are immensely pleased and privileged to extend a very warm invitation to the “19th KCA Conference” and “World Congress of Anatomists” being organized by Karnataka Chapter of Anatomists and the Department of Anatomy, Gadag Institute of Medical Sciences (GIMS), Gadag from 22nd to 24th of September 2017.

Gadag is a district place in the heart of Northern Karnataka with a great historical background and has given our country many famous personalities. The town has 11th and 12th century monuments; the temple of Veera Narayana and the Trikuteshwara complex are sites of religious and historic importance. One of the two main Jain temples is dedicated to Mahavira. Poets Kumara Vyasa (born in Koliwada) and Chamarasa are known for their translation of the Mahabharata into Kannada and Prabulingaleele, respectively. Other eminent personalities from Gadag are Ganayogi Panchakshari Gavayi, Bhimsen Joshi (Hindustani singer), Pandit Puttaraj Gawai, Sunil Joshi (cricketer) and many more.

Gadag Institute of Medical Sciences is located in the outskirts of the city at District Hospital campus, Mallasamudra surrounded by hills and wind mills with a serene atmosphere. GIMS is a budding autonomous institute affiliated to Government of Karnataka. The college offers undergraduate (MBBS) course and Applied Health Sciences. We are proud to say that we have applied for Post graduate courses in Pre and Para Clinical subjects and hope that we will be granted permission soon for the same. Our hospital is dedicated to serve the needy with the best of facilities and faculties irrespective of caste, creed, colour ... etc.
Gadag is surrounded by many beautiful nearby places like Hampi, Badami, Pattadkal, Aihole, Lakkundi to mention a few. All these places are well known for their architecture and sculptures in temples of historical existence. Goa is just 215 kilometers from Gadag.

The conference offers an excellent opportunity to colleagues, across the world to interact and enhance Anatomical knowledge along with exploring surrounding places for the history. We are eagerly waiting for you to come and be amongst us at the “19th KCA Conference” and “World Congress of Anatomists” for an extravagant Academic feast and provide us an opportunity to extend a warm hospitality.

WORKSHOP, ANATOMY QUIZ

Workshop and Anatomy Quiz will be held on 22nd September 2017. The details of these events will be intimated soon in our website.

POST CONFERENCE CME

A post conference CME will be conducted on 24th September 2017 including guest lecture from eminent speakers across the country.

PRESENTATIONS

We hereby appeal for submission of abstracts for oral and poster presentations in large numbers and make scientific sessions a knowledge fest.
